I do not have a written description of the site boundaries. This is the best I can do; The Duane Marine site is located at 26 Washington Street, Perth Amboy, New Jersey. It lies at the end of Washington Street, near the intersection of Front and Washington Streets along the Arthur Kill River. The site is approximately 7 acres in size, occupying Lots 5, 5R, 6 and 6R of Block 238. Lots 5R and 6R are riparian grants. Thats it, hope it helps.

Joe - it would help the ATSDR if you could provide the boundaries for the site, is this possible? Thank you. Julie

Julie,

As per Steve's request , the geographic coordinates for the site are 40 degrees, 30 minutes ,47 seconds North latitude and 74 degrees ,15 minutes, 38 seconds West longitude.

I'll provide complete copies of the sampling data from the initial site investigation ASAP.
